

Global Track

Line voltage three circuit track and LED spotlight system

The popular line voltage Global Track System is ideal for use in retail and gallery display applications. The range of Radiant LED spotlights mounted on the low profile track adapter with integral drivers provides a flexible and elegant solution.

The Spotlight ranges available for the Global track includes the SLE 30 Spotlight with Soraa light engine and the D100 Spotlight with 11 Watt Citizen COB. A wide variety of optics and anti-glare accessories including honeycomb louvres can be incorporated in this range.
